The National Competition

While the National winners are formally invited to attend the National Festival, any and all Veterans are welcome to attend the weeklong celebration of learning, friendship, and celebration of the healing power of the creative arts, which culminates in an art exhibit, creative writers meet-and-greet, and live stage show.

Art workshops, writing seminars, and excursions throughout the host city are also offered to participants during their week at the festival.

More information about the National competition can be found on The National Veterans Creative Arts Festival Facebook page: <https://www.facebook.com/NVCAF/>
