VOLUNTEERS NEEDED
VA health care experience research study

This study aims to understand how VA is providing care based on a Veteran’s gender identity

You may be eligible to participate if you:

- Are a Veteran who received care (medical, mental health, social services) through VA in the past year.
- Identify as transgender, gender fluid or non-binary.

Eligibility is determined during a confidential 5- to 10-minute phone screening. If selected, participants will complete a one-time confidential telephone interview lasting 45-60 minutes. Participants will receive up to $40 for completing the study.
